Senior CRA/CRA – UK

Illingworth Research is looking to hire enthusiastic and motivated CRAs (Senior and Junior) to join their growing team, to manage and monitor their clinical trials. Illingworth Research is an expanding Clinical Research Organisation serving the pharmaceutical, biotechnology and medical device industries in the UK, Europe and the USA. This is an exciting opportunity to join a family-run and owned CRO with an exceptionally strong team who deliver what the sponsors tell us they need: high calibre people, flexibility, quality and highly motivated, high-performing teams.

The positions will involve undertaking a variety of tasks, including the following core responsibilities:

- Monitoring all aspects of clinical trials and participating in all types of site visits ensuring adherence to Good Clinical Practice, investigator integrity and compliance with all study procedures.
- Performing management of study activities to ensure integrity of clinical data, in adherence to all applicable regulatory requirements.
- Data handling, reporting, tracking and administrative tasks.
- Taking an active role in the project team by providing feedback and suggestions for successful completion of the project.
- Coaching and mentoring less experienced CRAs to assist in their development and training.

To succeed in this role you will need the following skills/experience:

- You will have excellent communication and interpersonal skills and will have the qualities of a good team player and a strong sense of responsibility.
- For the Senior CRA position, you will have over two years' monitoring experience and a good working knowledge of ICH-GCP and relevant SOPs.
- You must hold an undergraduate degree in a clinical, science, health-related or nursing qualification or equivalent combination of education, training and experience.

If you wish to find out more information regarding this position, please contact either Melanie Haisley or Fiona Hartig on 01625-617447. Please send your CV and covering letter to careers@illingworthresearch.com. Salary commensurate with training and experience. No agencies please.
