

## Bank Research Nurses

Illingworth Research Group are looking to recruit research nurses from all backgrounds who are interested in exciting and diverse part time role in research.

The role will involve nurses working as part of a wider team to visit patients at sites or in the homecare setting, ensuring their safety whilst carrying out study-related procedures.

All candidates **must** possess a nursing qualification, be NMC registered and have good venepuncture skills. GCP preferable, but not essential.

Illingworth Research Group are continually recruiting for additional bank research nurses throughout the UK, Australia & Europe. If you have research or paediatric experience and good venepuncture & IT skills, we would like to hear from you.

Illingworth Research Group offer competitive rates of pay and fantastic team support, as well as great development and training opportunities.

If you are interested in joining our team, please send your CV and covering email to: [careers@illingworthresearch.com](mailto:careers@illingworthresearch.com) or contact +44 (0)1625 617447
